

Fitted Table Cover

Protect your table and your clients with our Medical Grade SpaMed fabric that can be disinfected with hospital grade disinfectants recommended by the CDC for killing COVID-19.

The Oakworks® Fitted Massage Table Cover offers the protection your clients need during the COVID-19 pandemic. The medical grade fabric is designed to withstand the harsh disinfectants the CDC recommends to kill the virus.

With a One Year Warranty, this fitted cover is a low cost solution to the challenges that face the massage industry.

Comes in blue or gray, color based on available inventory.
